Dear Future LKPS Member:

We would like to inform and encourage all of our LKPS community members to take this **one time money saving life membership opportunity** and with pride be part of our “The Shree Lalchuda Kadava Patidar Samaj” active participant. The strength of our LKPS community lies in the passion and activity of our life membership, so support our own Samaj and its future by committing yourself to life membership. We assure you that your life membership will allow us to maximize our ability to shine as strong organization to make a big difference.

We strongly urge all of you to take the advantage of **lowest cost** life membership right now. If your annual membership dues are paid for 2010 and 2011 year, will entitle you to have \$30 credit towards life membership, so your **life membership cost you only \$220**. If your annual membership dues for 2010 and 2011 year are not paid then your life membership cost will be \$250. Annual or life memberships to LKPS have built in advantage that includes any children under 21 for free.

Beginning, January 1, 2013 your **life membership cost will increase to \$350 per member** and **annual membership cost will increase to \$25 per member (minimum 2 years dues of \$50 requires)**.

We strongly urge all of you to become a life member or annual member immediately. Your support helps to keep alive our roots, culture and rich heritage despite being in this foreign country. Help us promote our culture especially for the future of our children.

We appreciate your membership and welcome you to be part of our beloved Samaj, and extend our thank you in advance for the support.
